- The Sport T5 is designed to cope with the onerous sports hall and gymnasium environment. Available as Symmetrical or Asymmetrical Variants.
- A high efficiency high output luminaire provides an ideal solution to lighting from high level mounting positions common in multi-purpose sports halls.
- Reinforced steel body for greater impact resistance. Hinged wire guard for ease of access. Quick access panel for ease of installation.
- T5 as standard, this luminaire utilises the very latest components to ensure this is an energy efficient luminaire.
