

Superior IP65 is a range of industrial linear LED High Bays especially suited for factories, warehouses, supermarkets, distribution centres and most industrial applications.

Superior IP65 uses Osram/Samsung high efficiency and long life LED's.

Combining ultra efficient optics with excellent energy saving and long

life operation with the additional benefit of minimum maintenance.

Lamp Options

LED: Light Emitting Diode

Product Specification

- Robust steel powder coated white body (RAL9003)
- Toughened front glass cover
- Highly polished reflectors made of MIRO aluminium
- LED's are Osram/Samsung high quality, long life and efficient LED's
- Constant current LED driver
- Complete with 4 snap hooks for easy suspension
- Fitted with power cable and IP65 connector
- Quality sub components used to ensure a long service life
- Fabricated on modern equipment to ensure perfect assembly
- IP65 protection degree

Optional Optics

(Add suffix to order code)

/N: Narrow beam

/W: Wide beam

/STD: Clear glass cover

/PC: Polycarbonate cover option

/KO: Opal glass cover option

Order Codes

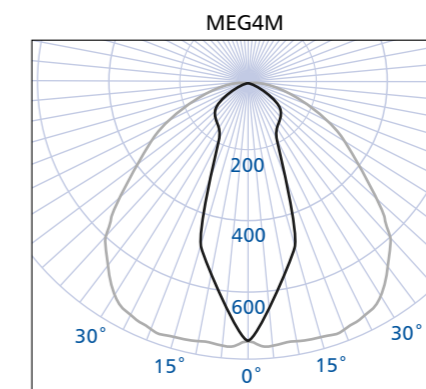

Including Lamps

Order Code	Watt	Lumens	Voltage	L	W
MEG4S108/4K	108	11500	AC230 50Hz	655	350
MEGW4S108/4K	108	13000	AC230 50Hz	655	350
MEGW2M70W/4K	70	9800	AC230 50Hz	1220	190
MEG2M108/4k	108	11500	AC230 50Hz	1220	190
MEGW2M108/4K	108	13000	AC230 50Hz	1220	190
MEGW4M140/4K	140	20000	AC230 50Hz	1220	350
MEG4M220/4K	220	24500	AC230 50Hz	1220	350
MEGW4M220/4K	220	26000	AC230 50Hz	1220	350

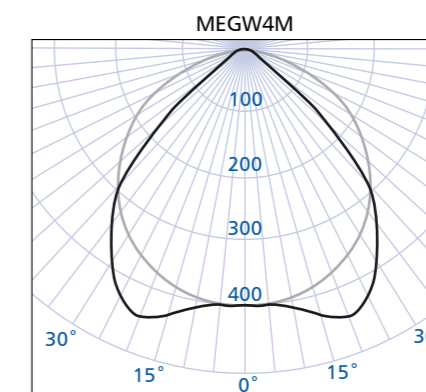

Applications:

- Factories
- Warehouses
- Supermarkets
- Distribution Centres
- Under loading Bay Canopies

C0.0-C180.0 — C90.0-C270.0

C0.0-C180.0 — C90.0-C270.0

Gear options

- /STD:** Non dimmable LED driver
- /DALI:** DALI dimmable LED driver
